Varsity Football 1972

The 1972 Varsity Football Team made a tremendous comeback from its 0-8 record of 1971. The Spartan gridders ended up with a season record of four wins and four losses.

The Spartans were undefeated at home and lost three of four away games by a total of only seven points. They almost upset the conference champs, Flossmoor Vikings, 7-6. A great team effort was always put forth.

Varsity Basketball 1972-1973

The 1972-73 Spartan basketball season was probably the most challenging, if not the most disappointing season ever experienced by Coach Len Scaduto in his highly successful coaching career. Having only three seniors on the entire squad, the Spartans found inexperience their major setback in what could have been a very successful season. For example, at least six of the Spartans' losses occurred by three or less points. Despite all of this, our Spartan basketball team maintained a strong pride and a highly competitive spirit which were, perhaps, two things that were never lost throughout the entire season.

Basketball '72-73

1. Dave Altenburg — Dave is pretty darn mighty around the hoop. His shooting has improved and he is an exceptional rebounder.
2. Bruce Atkinson — Showed flashes of brilliant play as a sophomore. We expect Bruce to come into his own next year.
3. Mike Patyk — A good all-around player who has unlimited potential. Mike has had great success at this game.
4. Bill Sears — Has just been a great two-year performer. He plays aggressive on the boards and dedicated defense.
5. John Morrissey — A superlative player in all phases of the game. His dedication is unequaled. One of the leading scorers in the conference.
6. Mark Hatfield — Mark has a definite love for the game and the willingness to play hard at both ends of the court.
7. Phil Patterson — Has done nothing but improve and his outside shooting continues to get better.
8. Roger Wantiez — Always seems to make something happen out there and loves to carry the ball to the hoop.
9. Kurt Engel — He gets a lot done for his size. Does a steady job and always gives 100 percent.
10. Len Renz — We look for Lenny to help us tremendously next year, he can't be counted out for starting duty.

Swimming '72-'73

The 1972-73 Swim Team, also known as the Big Green Wave, has earned its name not only under the Win-Lost column, but also in team spirit and ability. The Green Wave had a small team, but what they lacked in size, they made up in spirit. This year two records were broken by the Big Green Wave. Ron Schuberth broke the diving record, which was previously held by Mike Gajdorus, a 1971 Oak Lawn graduate and acting diving coach. On the Sophomore level, Vern Scarpelli's First Relay set a new record at the Sandburg meet. The First Relay consisted of Bill Lyon, Rich Nowaczyk, Dave Mulhall, and Ken Coffey.

The swim team will be losing five seniors this year. They are co-captains Dave Von Holst and Ron Schuberth, Kurt Erickson, Joe Johnson, Bob Haa, and Kevin Hoffman. The Big Green Wave had an average season this year, but the future looks bright with some exceptional juniors and some good sophomores

Varsity Wrestling

The 1972-1973 Spartan Wrestling Team was one of the finest teams Coach Craig ever coached. They broke a previous record of 11 wins and 5 losses. The team was led by seniors Phil McEntee and Bob Fitzgerald. Junior, Terry Mulrenin, was a great asset to the team. The grapplers worked hard all season, and a winning record can only be attributed to personal effort.

Varsity Gymnastics

The 1972-73 Varsity gymnastics team was one of the most successful teams Oak Lawn ever had in a long time, although their win-loss record was far from being impressive. Before the year started the team knew that they would have a lean year and must start building for next year, but without losing any of their own personal goals that they set up before the season.

Mr. Simone feels that if the team succeeded in reaching their personal goals, they had a successful season regardless of the win-loss record. In meeting their team goals, they would be putting forth a great effort.

Reserve Officer Training Corps

The Air Force Junior ROTC is designed to teach high school students more about all aspects of aerospace. The ROTC program seeks to further develop leadership traits, and at the same time, acquaints the students with many components of aerospace — civil, industrial, and military. The program stresses habits of orderliness, self-reliance, and self-discipline.

Cadet Lieutenant Colonel Randy Meyer and Cadet Major John Burke served as commanders of Oak Lawn High School's 42nd Illinois Squadron. Highlights of the year included field trips to Channite Air Force Base and to O'Hare Field where the Cadets enjoyed a flight on the Air Force Reserve's C-130 turbo-prop Hercules.

These people, with a firm dedication and genuine desire to do good, have put forth everything they have. They have snickered through their shower minutes and laughed off their swats, knowing that no one could take away the good feeling which they have received by putting this 1973 yearbook together for your personal satisfaction.

A
GOOD
LIFE

Kim,
even though I
just met you this
year I've had a lot of
fun. You're just about the
only person in this English
Class who isn't conceited. I hope
I see you next year because
you're really nice. Good luck and
have fun this summer.

Dear Kim,
I really liked those
cool dresses you wore
that made you look
pregnant. Keep on wearing
them, they'll protect you.

Dan

Kim,
I'm really glad I met you this year; you've been a blast in Biology and Gym. You had you won't be here next year, we'll all miss you. I hope I get to see you sometimes. Stay the same-always!
Good Luck!
Love & friends-ever,
Pam Sempeh
